

# International Day of *Peace*

HANAPĒPĒ, KAUA'I, HAWAII

This PLEDGE FOR PEACE is Hanapēpē, Kaua'i, Hawaii's message to the world of our commitment to promoting peace and harmony on this Earth we call home. On the 21st of September of each year, we celebrate the United Nations International Day of Peace and honor the legacy of our Kaua'i native son, Senator Sparky Matsunaga, a longtime proponent of peaceful resolution of disputes and the founder of the United States Institute of Peace in Washington, D.C.

Aloha, with peace and goodwill to all!
