

Luminary Making Workshop

As the daylight becomes shorter and the nights grow in darkness we welcome the coming of the Light. Get ready for the Winter Solstice by bringing the gift of Light into the world. Let's make

Luminaries! With this simple technique we will build layer upon layer of tissue paper over a balloon to create a vessel that will glow with the light of a candle.

Sunday, December 15th, 10:30 a.m.-12:00

*Kauai, Soto Zen Temple, Zenshují Hall,
Hanapepe*

Suggested donation: \$20

Enroll ASAP. Class size: 15 maximum
